ADJOURNMENT

WHAT IS CIVILITY? Civility is caring about one's identity, needs and beliefs without degrading someone else's in the process. Civility is more than merely being polite. Civility requires staying "present" even with those persons with whom we have deep-rooted and perhaps strong disagreements. It is about constantly being open to hear, learn, teach and change. It seeks common ground as a beginning point for dialogue. It is patience, grace, and strength of character. Civility is practiced in our City Hall.

PUBLIC COMMENT: If a member of the public wishes to comment upon ANY subject matter, including quasi-judicial matters, please submit a Request to Speak form. These forms are available in the back of the Commission Chambers, and should be given to the City Clerk prior to introduction of the item number you would like to address.

CONSENT CALENDAR: Those matters included under the Consent Calendar are self-explanatory, non-controversial, and are not expected to require review or discussion. All items will be enacted by one motion. If discussion on an item is desired by any City Commissioner that item may be removed by a City Commissioner from the Consent Calendar and considered separately. If an item is quasi-judicial it may be removed by a Commissioner or any member of the public from the Consent Calendar and considered separately.

QUASI-JUDICIAL HEARINGS: Some of the matters on the Agenda may be "quasi-judicial" in nature. City Commissioners will disclose all ex-parte communications, and may be subject to voir dire by any interested party regarding those communications. All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment without being sworn. Unsworn testimony will be given appropriate weight and credibility by the City Commission.

INVOCATION: Any invocation that may be offered at the opening of the Commission meeting shall be the voluntary offering of a private citizen, to and for the benefit of the Commission. The views or beliefs expressed by the invocation speaker have not been previously reviewed or approved by the Commission, and the Commission is not allowed by law to endorse the religious beliefs or views of this, or any other speaker.

Title of Item:

DISCUSSION ON THE CITY OF STUART LAND DEVELOPMENT CODE (LDC) CHAPTERS 1–12

Summary Explanation/Background Information on Agenda Request:

On September 16, 2024, the City of Stuart City Commission adopted Resolution Number 95-2024, directing City staff to initiate a "Zoning in Progress" (ZIP) authorized under Section 1.04.04 of the City of Stuart Land Development Code (LDC). The purpose of the ZIP is to allow the City Commissioners and City staff to evaluate and make text amendments or district map changes to the City of Stuart LDC. Since the adoption of the Zoning in Progress, the City has been contacted by landowners asking for exceptions to the Zoning in Progress or in the alternative requesting confirmation letters that their property will not be impacted by the new regulations. Staff is not authorized to grant exceptions and in very few cases can staff provide a letter stating that the property would not be affected by the new regulations. During the workshop, some examples will be provided so the Commission can discuss the parameters of the zoning in progress.

At the October 14, 2024, City Commission meeting, the Board requested the City Clerk to schedule a Special Meeting Workshop to begin discussion and provide direction to the City staff for any recommended revisions to the City of Stuart LDC.

Sec. 1.04.04. - Zoning in progress.

- (1) *Purpose.* The purpose of zoning in progress is to allow the city to make a text amendment or district map change to the Stuart Land Development Code, and apply that change to development applications submitted following the declaration of zoning in progress. Additionally, zoning in progress allows a temporary hold on permits, licenses and other development orders already in progress, if there is a pending change in the Land Development Code that would affect the permit, license or other development order.
- (2) *No permits issued; and period of time.* During the period of time that the land planning agency or the city commission is considering either a text amendment or a change of zoning district to the Stuart Land Development Code, no plans, permit(s), license(s), or other development order(s) of any kind shall be issued if issuance would result in the nonconforming or unlawful use of the subject property in the event that the text amendment or zoning district change be enacted by the city commission (freeze period). The maximum freeze period allowed for zoning in progress shall be three months, except that the city commission may extend the period for up to an additional three months for good cause, and upon making a finding that it is in the public interest to do so.
- (3) *Notice of declaration.* The declaration of zoning in progress, and the freeze period on development orders, permits and licenses shall begin on the earlier of:
 - (a) Publication of a notice of a public hearing before the city commission to consider a resolution declaring zoning in progress; or
 - (b) Publication of a notice of a public hearing before the local planning agency on a text amendment or zoning district change, which notice also includes a notice of zoning in progress.
- (4) *Applicability.*
 - (a) Upon adoption of a text amendment or district map change, all pending applications, permits, licenses, and other development orders shall conform to the new provisions.
 - (b) Notwithstanding anything contained in this section to the contrary, no application for a text amendment to the Code, or map rezoning, plan approval, permit, or other development order shall be held up by this procedure for more than a total of six months, including all time periods described herein. Any such approval shall be deemed granted, if so affected, except as provided in subsection (c) below.
 - (c) Where an affected property owner requests a postponement or other delay of an application, such period of delay shall toll the running of the freeze period.
 - (d) If it is determined by the city development director that an application for a text amendment or map rezoning, plan, permit, license, or other development order would not

violate the provisions of a pending zoning measure, such application, shall be exempt from this section.
